### Meeting on Creating Social Districts

Date: August 29, 2023  
To: Downtown & Nashville Junction Stakeholders  
From: Randy Lansing, Town Manager  
Subject: Establishment of Social Districts

As a property owner, business, tenant, or neighbor of Downtown Nashville and the Nashville Junction, you are invited to attend a meeting on setting up social districts for Downtown Nashville and the Nashville Junction. The meeting will be Thursday, September 14, 2023, at 6:30 PM in the Nashville Town Council Chambers at 114 W. Washington Street.

A social district is a designated area where persons can purchase alcoholic beverages from licensed ABC retailers and consume it within a designated area established by local ordinance. Enclosed is an article on social districts and the Town of Tarboro's social district informational brochure. Additionally here is a link to the City of Wilson's social district <https://www.wilsonnc.org/residents/all-departments/planning-commmunity-revitalization/social-district>.

The purpose of the meeting is to explain and discuss further what a social district is and to get input from property owners, businesses, tenants, and neighbors in and around Downtown Nashville and the Nashville Junction on 1) whether-or-not to establish Downtown and Nashville Junction social districts, 2) the boundaries of the social districts, and 3) the hours of the social districts.
